# Design Competition

## Medallion Designs to be used on the cover of the Magazine

for the months of June, July-August, September, October, November, December, January, February, March, April, altogether ten months.

These designs should be symbolic of the months. They may be either round or square, or nearly square. Size not less than 3½ inches in diameter. They must be in pen and ink, flat black and white, not in wash.

It would be advisable to have the name of the designer in small letters in the corner of the design.

Each selected medallion will be purchased for \$5.00. Designs which are not selected but show merit will be purchased at regular prices.

## Competition Closes April 25, 1925
